Jessica Baker started her TR journey with completing her Bachelor of Arts, Honors Therapeutic Recreation in 2011 at the University of Waterloo; becoming a Certified Therapeutic Recreation Specialist the same year. In 2015 she received her Registered Professional designation with Therapeutic Recreation Ontario. Jessica currently works at Baycrest with seniors living in long term care who require physical support. Previously she worked on cognitive support units, as well as a part of the central team which services both the long term care home and hospital. Jessica enjoys spending time with family and friends, the cottage, wakeboarding, reading, and attending concerts.
