

CTRA 2019 ACLT

Call for Posters

**Canadian Therapeutic Recreation Association 23rd Annual Conference
June 19th – 21st, 2019 ~ Quebec City, Quebec, Canada**

The Quebec Therapeutic Recreation Network and the Canadian Therapeutic Recreation Association (CTRA) are proud to host the 23rd Annual CTRA Conference. This conference will provide the opportunity to connect, network, learn and re-ignite your TR passion. Please join us next summer in beautiful Quebec City, Quebec!

CONFERENCE THEME: Discovering Joie de Vivre à Découvrir

Therapeutic Recreation/Recreation Therapy professionals, educators, and students are invited to submit abstracts for the 2019 CTRA Practice Poster Session. The primary purpose for practice poster presentations is to showcase intervention programs that produce client outcomes. This is an excellent opportunity to share recent successes and challenges with fellow professionals.

NOTE: Presenters are responsible for their own meals, accommodation, transportation, CEU fees and registration (at a reduced speaker rate).

Email submissions by midnight EST Friday, Nov. 23, 2018

Thank you for your interest in presenting at the Canadian Therapeutic Recreation Association's 23rd National Conference. Speakers will be notified by email after February 1st, 2019

PLEASE SUBMIT YOUR PROPOSAL ELECTRONICALLY AT:

CTRA 2019 Call for Posters

Session Format: Presenters create a poster that will be fastened to a freestanding display panel. Suggested size for posters is up to 48 by 60 inches. Design, coloration, etc., is up to the author, but the poster should look professional and be easy to read from four feet away. Each poster should have at least one individual available during the actual poster session. Benefits of participation: Networking, initiates collaboration efforts, provides service to the profession, receives feedback for professional development and helps promote the benefits of therapeutic recreation among a diverse audience of CTRA delegates!

Poster Title: (20 words or less; Descriptive of content)

Poster Description: (150 words or less; Descriptive of content). Limit summary to 1 paragraph of 3 to 4 sentences.

Author Information:

Please include information for all speakers who will be presenting your poster; use additional paper if needed. Confirmation of session acceptance and all correspondence will be sent to the primary speaker listed below.
